

Rainbows are synonymous with *knowing*.

They represent life and are lively colour.

Rainbows reflect spectrum and diversity.

In so many ways, we understand ourselves by the components or aspects of us coming into **Colour Realisation**. *My rainbow, your rainbow.*

Realisation and the personal world are developmental landscaping.

Rainbows have built in energy recognition that suggest balance and continuity.

They encourage expression and further colour interaction. A Rainbow brightens the day.

Themes – Vibrational Light

Diversity, resilience, pride, vitality, expression

Balance, colour, spectrum, archways, circles.

Water, light, frequency.

Hope, After the rain, Peace and calm.
